## PAYMENT AND SERVICE DETAILS

### Procedures, processes, and what to expect

#### SERVICE AGREEMENT

##### ALL SERVICES AND PRODUCTS

All of our services and products come with premium customer service. This customer service is accessible on Email, Facebook, Skype, WhatsApp, Signal, Telegram and our Customer Service ticket and chat platform on weekdays between 07:30 and 17:00. It covers technical support related to your purchase, training and demos on the use of your product, and technical advice. Please note that this does not officially include providing free additional custom coding or additional products but may include referrals for such.

##### LOGO DESIGN

This includes the design of 2 logos based on the function represented by the logo, the target audience, business sector, and current branding. The logos include one simplified logo and one detailed logo, a different logo for dark backgrounds if relevant. The logo will be delivered in the form of both high res .png files, vector .svg, and any additional format requested. This price includes one set of revisions, after which the client will be charged per hour.
